Dear Hunter,

I think of you so often, and send love and prayers always. I truly hope your journey is unfolding with depth, grace, beauty, wisdom, and joy...

The door is round and open for you to come to class tomorrow for as much or as little time as you want. We have class from 12 to 8 tomorrow, Saturday the 27th. It is an extremely sincere and willing group of travelers. It would be beyond lovely to have you there for some time.

I know you are very very busy and full with things to attend to. I really look forward to connecting with you whenever it can work. Please let me know if there is something that would work well for you.

I see you surrounded in transformative love and healing gold light, very loved by God. And many others....

Love and blessing always,

Jessica

PS I am copying my personal email above so you can write to me there if you wish.
