The 2018 tax return for Owasco, PC is due to be filed on April 15, 2019.

In the past, Eric has done the bookkeeping and sent it to us. As I understand it, he is no longer doing this. I also understand that Katie is not able to do it.

I don't think that any bookkeeping has been done for 2018. If you want us to do it, please let me know. We have the bank statements and I can send you a list of the deposits that were made and the checks that were written. You can note what they were for and we will do the bookkeeping from that information.

Please let me know if you want us to do it so I can get it on the schedule.

Also, I still have your 2017 income tax returns which need to be filed. Please let me know where to send them. Once they are filed I can start to work with IRS to get a payment plan in place.

Bill,

First, are you able to call Kathleen and advise her that 2017 return has not yet been filed. Do you have Hunter's 2017 year end information? Before you release that information, I want to get a sense of what you have and confer with Hunter about that.

Thank you.
