Good morning Kathleen,

Congratulations on being the lucky winners of a year's supply of VOSS! I am coordinating delivery of the water & need the following information from you:

- Type & bottle size options are: (1) 500ml Still PET (plastic); (2) 375ml Still Glass or (3) 375ml Sparkling Glass bottles. You can get just one option or a variety of all three (which would be my recommendation).
- The number of cases you would like . . . each case has 24 bottles of water; please note that under the terms of delivery, all cases will be

water, please note that under the terms of delivery, all cases will be delivered at one time.

- The delivery address as well as a contact name at the delivery address & their phone number.

Once you let me know the information requested above, I will let you know the approximate delivery date (which will be a 2-3 day window).

Please let me know if you have any questions. I look forward to hearing back from you at your convenience.

Best, Cheryl
